

# Shale-Gas Development and Water Issues Symposium

Solutions to Energy Industry Water Needs for Shale-Gas Development & Operation and Long-Term Water Resources Sustainability

**March 22-23, 2012**

**Austin Marriott South - Austin, TX**

*Symposium Organizers:*

American  
Ground Water  
Trust

American Institute  
of Professional  
Geologists

*In Cooperation with:*

American Geosciences Institute (AGI)

Bureau of Economic Geology

Energy Institute, University of Texas at Austin

International Association of Hydrogeologists Commission on Groundwater for Decision Makers (IAHAIH)

Society of Independent Professional Earth Scientists (SIPES)

Texas Section of the Association of Environmental and Engineering Geologists (AEG)

Keynote Speakers:

• **Dr. Scott Tinker** •

Director, Bureau of Economic Geology, Jackson School of Geosciences, University of Texas at Austin

• **Dr. Charles 'Chip' Groat** •

Associate Director, Energy Institute, Jackson School of Geosciences, University of Texas at Austin

*This conference program will provide a balanced information-exchange opportunity among the energy industry, the water industry and citizens and communities with an interest in the economic potential of shale gas development and the long-term environmental sustainability of water sources and water dependent ecosystems.*

for more information and to register!!  
AIPG - (303) 412-6205, [cld@aipg.org](mailto:cld@aipg.org)

Sponsorship Opportunities and Exhibit  
Booths Still Available!!  
Exhibit Booths - \$300 (plus registration)  
Go to [www.aipg.org](http://www.aipg.org) for more information

*Conference Pricing:*

Members of Cooperating Organizations - \$340

Government Employees (Municipal, County, State, Federal) - \$340

Non-Members - \$390

*\*Registration Includes Conference Program, Lunch Thursday, Breakfast Friday, Breaks, Exhibits, Networking Reception, and an Exclusive Screening of the film "SWITCH", a Feature-Length Documentary on Global Energy by Dr. Scott Tinker.*

Austin Marriott South, 4415 South IH-35, Austin, TX 78744

(800) 228-9290 or (512) 441-7900 - \$129 for conference

Sessions Include:  
Shale Gas, Water Issues  
in Texas and Elsewhere,  
Controversy and Legal  
Issues Resulting from Gas  
Development, Technical  
and Management Solutions  
to Energy/Water Issues
